D E N T A L A S S O C I A T E S

Extraordinary Care, Extraordinary Smiles

...And off she walked, into the sunset. As some of you already know, our dedicated dental hygienist Roseanne O'Hara has retired. After practicing dental hygiene and serving our patients for well over 33 years, Roseanne is now taking time to enjoy her family. True to her personality, Roseanne has retired quietly, without fuss or fanfare. Although she will be sorely missed, we all wish her all the best in the future. If you wish to send her a card to congratulate her, please feel free to send it to our office, as we will collect them in a basket to give to her.

With Roseanne's departure, 2008 brings about other new changes at Silvestri & Carangelo.

We would like to welcome:

- Heather, registered dental hygienist
- Laura, registered dental hygienist
- Amy, scheduling & financial coordinator.

Heather and Laura bring with them experience of the latest in what dental hygiene has to offer. The addition of two dental hygienists will allow for better availability of appointments and quicker response to dental emergencies and new patient exams.

Our office is undergoing a transformation as well. Remodeling is in progress, and changes can be seen in the entranceway, front desk, restrooms, and treatment rooms. We look forward to a more comfortable experience for all.

Dr.'s Silvestri and Carangelo continue their studies in dental medicine. Educational trips are planned for Lumineers, the Yankee Dental Congress, and the 24th Scientific Sessions of the American Academy of Cosmetic Dentistry. Dr. Silvestri has achieved his diplomat eligible status in the International Association for Orthodontics, while Dr. Carangelo is working on his Fellowship in the American Academy of Cosmetic Dentistry.

The New Year also brings revitalization to your insurance and flex plans, which is an opportunity to start planning 2008. With the winter months upon us, this may be a good time to catch up on some of the treatment that you may have delayed due to the hectic holiday season. We are looking forward to a great 2008! Although there may be some new faces, please expect the same quality service and top-notch dentistry that you are accustomed to.

Yours in better oral health,
Dr. Silvestri, Dr. Carangelo and staff
